2022 - 23

Summer Vacation Homework

CLASS - 6

DO YOUR HOMEWORK, STUDY THE CRAFT, BELIEVE IN YOURSELF, AND OUT-WORK EVERYONE.

Knowledge is power and to impart it righteously to our children, we have carefully and meticulously designed the Summer Break Assignment. It aims to create a spirit of enquiry, creativity and sensibility among the learners.

It is vital to enable our learners to foster an outlook that helps them explore, discover and rediscover. Summer vacation is the best and fruitful time for learning and nurturing creativity. A variety of fun filled activities and worksheets are given to be attempted during summer break. The major emphasis is laid on “Learning by doing”. Attempt the assignments neatly with originality and creativity.

Summer vacation is the time to learn and enjoy. So spend these holidays nurturing and stimulating environment filled with fun, frolic and learning.
